

## Internship at the Gstaad Festival Orchestra (Conducting Academy / GFO concerts 2026)

The Conducting Academy is the lynchpin of the Menuhin Festival Academy and offers rising conductors an opportunity of working with a professional orchestra - the Gstaad Festival Orchestra (GFO) which is made up of musicians from Switzerland's leading orchestras. Some of the best students from international high schools are selected every year to play with the GFO as interns.

Besides giving several concerts in the scope of the Conducting Academy, the GFO represents the Menuhin Festival Gstaad with concerts in Gstaad and on tour – this year in Baden-Baden.

Jaap van Zweden, the Dutch conductor and Music Director of the Seoul Philharmonic will be leading the Gstaad Festival Orchestra in summer 2026 after already having held the reins of the Conducting Academy in 2017, 2018 and 2021 -2025. As an international player, he has been active on three continents over the past ten years. Marco Armiliato, one of today's leading opera conductors and a frequent guest at major houses such as the Metropolitan Opera, Vienna State Opera and La Scala, will also join the Gstaad Festival Orchestra this year.

Alongside major symphonic works such as Mozart's symphony no. 40. and Beethovens symphony no. 5, there is also opera repertoire such as the concert version of Puccini's opera "La Bohème". The programme also includes solo works such as Elgar's Violin concerto op. 61 and Haydn's Cello concerto no. 1.

In addition, the interns receive individual lessons from their section leader and during the internship an audition training will be organised.
